COMMENTS ON EXAMINER'S AMENDMENT

In the Notice of Allowability mailed December 15, 2009, the Examiner entered a number of claim amendments, in the above identified application, by way of an Examiner's Amendment. While most of the entered claim amendments are correct, the undersigned noted the following errors contained in the Examiner's Amendment:

Claim 15

On line 9 of the claim should read "the root canal"—instead of "a root canal"—has been changed to --a root canal--.

Claim 26

On line 10 of the claim should read "the root canal"—instead of "a root canal"—has been changed to --a root canal--.

Claim 28

On line 10 of the claim should read "the root canal"—instead of "a root canal"—has been changed to --a root canal--.

Claim 29

On line 9 of the claim should read "the root canal"--instead of "a root canal"--has been changed to --a root canal--.

Claim 30

On line **10**—instead of line **9**—of the claim should read "**the** root canal"—instead of "**a** root canal"—has been changed to —a root canal—.

Since the all of the entered claim amendments are correct and accurate, i.e., only the canceled subject matter is inaccurate, the Applicant is not filing an Amendment After Allowance to address any of the above. Nevertheless, in the event that any further action is necessary to rectify this situation, please contact the undersigned via telephone to expedite the handling thereof.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
